

# NORTH POINT SENIOR SECONDARY BOARDING SCHOOL

*Our School is going to organize a  
"Virtual Summer Workshop".*

The searing summer days can be utilized through virtual summer workshops.

We believe that the digital Summer workshop can turn out to be an integral part of every child that targets to develop skills and promote a learning environment in the comfort of home.

North Point Senior Secondary Boarding School brings their another exciting endeavour Online Summer workshops for students of all the classes. The virtual summer workshops will have various activities which will help all the students to expand their creativity through various activities. Virtual summer workshops will transform your child`s boring summer into a fun one.
