

NORTH POINT SR. SEC. BOARDING SCHOOL

(RAJARHAT BRANCH)

NOTICE – REVISED FEES STRUCTURE FOR SESSION 2020-21

The recent pandemic all across the country and the world has devastated the entire socio economic balance which has affected the schools, the entire education system, the academics and the students by and large to a very major extent.

The onslaught of the pandemic is such drastic and severe that months together the school management were devoid of monthly fees resulting in huge dues from the parents thereby crippling the schools to even run on optimum to carry out the societal responsibilities of arranging online classes as per Board/State/Central Govt. dictum to desperately maintain the equilibrium amidst an enormous imbalance.

The Hon'ble High Court of Kolkata genuinely stood by the distress of the guardians and vide its Order dated 13th October 2020 allowed an exemption of 20% applicable on the fee structure of **Session 2019-20**.

North Point Senior Secondary Boarding School had been a decided relief to the guardians all through, much before the Hon'ble Court was moved, to extend best of the relief possible by the school.

Recently Guardians of all classes were called, explained in detail about the leave granted by the Hon'ble High Court and were left to make their decision in regard to the school fee.

With immense pride North Point Senior Secondary Boarding School put forward that the majority of the guardians opted to stick to and adhere to the fee structure/module drawn by the school pertaining to academic session of 2019-20. However, the aspect of availing the Exemption of 20% allowed by the Honorable High Court has been kept open for one and all.

The immaculate bond between the guardians and the management has become exemplary in today's scenario wherein the guardians have duly paid back the school the coveted reward of treating the entire segment all through, since inception, as a family.
