Keeping in view of the current situation, the School management has decided to waive off late fine on those parents who clear the School fees for the month of May 2021 on or before 25.05.2021. Any fees paid after 25.05.2021 shall attract late fine as applicable.

It is also informed that as per existing laid down rules of Fee Payment, from June 2021 onwards applicable late fine would be levied after 10<sup>th</sup> of the month for non-payment of fees.

We in school wish you the best of health and happiness. !!! Stay Safe !!!
