

MOST IMPORTANT NOTICE

**To,
The Parents of Class TT to XII
NPSSBS - Rajarhat**

Dear Parents,
Greetings of the day!

Please be informed that it has been observed lately that few parents are sending school fees or fees related to any other miscellaneous purpose viz. uniform, stationeries, etc. via school bus driver/helper or any other school staff, which is strictly against school rules and policies.

It is henceforth requested to all parent(s) that no fees of any sort pertaining to school purpose should be sent via bus drivers, helpers, or any other school staff, and that parents should either visit the school and make payments in person directly to the account section or pay online in the designated schools bank account.

This measure is aimed at streamlining our payment processes and preventing any potential miscommunication or discrepancies.

Your cooperation and understanding in this matter are greatly appreciated.

Thank you.

Regards,

(Maitraye Chakraborty)
